Efterat Trang til en ny Matricul for Jorbeidomme i Danmark allerede i lang Tid havde viist sig, blev det, da det i Aaret 1802 ansaaes nødvendigt at forøge de directe Afgifter, fastsat, at en saadan ny Matricul skulde forfattes og indføres. Den herom fornødne Bestemmelse indeholdes i Forordningen af 1ste October 1802, § 44, der dog tillige indeholder den Regel, at de til den Tid paabudne Statter saavel som en forholdsmæssig Deel af den ved nysnævnte Forordning paabudne nye Afgift af Bondejord, nemlig den Deel af samme, der kunde ansees alene at være paalagt Jordens Besiddelse, skulde vedblive at hvile oprindeligen paa det ved den gamle Matricul ansatte Hartkorn.

De til en sliq Matriculs Forfattelse fornødne Arbejder bleve ogsaa kort efter begyndte, men disses Banskælighed og Vidtløftighed medførte, at de langt fra vare fuldbendte, da Krigen udbrød i Aaret 1807. Denuer forhindrede af flere Aarsager deres Fortsættelse med nogen Kraft, og endnu efter Krigens Ophør var der ikke at tænke paa at see dette med mange Bekostninger forbundne Værk fuldført uden succesfuld i en lang Række af Aar.

Imidlertid tabtes Arbeidet ikke ganske af Sigte, og da Stattervesenet organiseredes efter en anden Norm og simplificeredes i Aaret 1818, blev det ved Forordningen af 15de April samme Aar bestemt, at den derved paabudne saakaldte Landstat vel skulde udredes af Hartkornet efter den da gieldende Matricul, men — som det udtrykkelig heed — kun, indtil en Deel af samme Stat blev fordeelt efter den nye Matricul i Overensstemmelse med Forordningen af 1ste October 1802, § 44.

Men jo langsommere det gik frem med Arbejderne, desto flere Indvendinger fremsendtes der sig mod den paatænkte nye Matriculs Indførelse; thi desto ældre bleve de tidligt foretagne Taxationer, desto større Forandring var der foregaaet med Jordernes Beskaffenhed siden den Tid, disse Taxationer bleve udførte, desto større Forskiel blev der mellem selve Grundlaget for Matriculen og, da nye Arbejdere afløste de ældre, vel ogsaa i Executionen af de Principer, der vare fastsatte for det hele Værk.

Ikke desto mindre fortsattes de forberedende Arbejder bestandigt, og disse vare, da begge Forsamlingerne af de raadgivende Provindsstænder for Danmark i Aaret 1836 allerunderdanigst androge paa den nye Matriculs snarest mulige Tilendbringelse, for at dens Resultater derefter kunde blive bekiendtgjorte og et Lovudkast angaaende Maaden og Tiden for dens Indførelse forelagt en paafølgende Forsamling, fremmede saa vidt, at der da Intet kunde være til Hinder for Matriculens Afslutning for hele Riget, med Undtagelse af de saakaldte blandede Districter paa Grændsen af Nørre-Jylland og Slesvig. Imidlertid havde Provindsstænderne tillige andraget paa, at der, inden Matriculen indførtes, maatte gives alle Vedkommende Afgang til, under visse Betingelser, at erholde Hartkorns-Ansættelsen efter samme undersøgt, saafremt de maatte formene dertil at have Anledning. Dette blev allernaadigst bifaldt, og, efterat Udcast til Anordningen saavel herom som om Indførelse af Matriculen i Almindelighed havde været forelagt de i Aaret 1838 forsamlede Provindsstænder, udkom under 24de Juni 1840:

deels en Forordning angaaende Indførelse af en ny Skyldsatning af Jorbeidomme i Danmark,

deels en Placat, hvorved bestemtes en foreløbig Bekiendtgørelse af Resultaterne af den nye Matricul og tillodes, at Undersøgelser i Anledning af samme, efter Begjæring, maatte finde Sted under visse nærmere fastsatte Betingelser.

Efter hiin Forordning skulde den, ifølge Forordningen af 1ste October 1802, § 44, udarbejdede Matricul træde i Kraft fra 1ste Januar 1844, saaledes at samme, fra den Dag af, skulde være Regel for Udredelse saavel af en Deel af den ved Forordningen af 15de April 1818 paabudne Landstat af Jorder i Danmark som af alle andre, disse Jorder paahvilende, Statter og Afgifter til den Kongelige Kasse, og af de Afgifter, der tilflyde bemeldte Kasse efter særegne Repartitioner, Alt forsaavidt Hartkornet hidtil har været eller fremdeles vil blive lagt til Grund for Udredelsen af saadanne, paa Jorbeidomme hvilende Byrder. Derimod skulde, i Hensyn til Bestemmelserne i oftnævnte Forordning af 1ste October 1802 og 15de April 1818, den øvrige Deel af Landstaten af Jorder beregnes efter det paa enhver Eiendom hvilende ældre Hartkorn samt dernæst vedblive at hæfte paa Eiendommene som en fast aarlig Afgift under Navn af Gammelskat. Denne Deel af Landstaten bestemtes i Almindelighed af alt ældre privilegeret Ager- og Engs-Hartkorn pr. Tde. til 5 Rbdl. Sølv.

og af alt ældre uprivilegeret til . . . . .	6 Rbdl. 80 St. Sølv.
men, med Hensyn til Hirschholms District af hver Tde. ældre privilegeret Ager- og Engs-Hartkorn til. . . . .	4 — 50 —
og af hver Tde. ældre uprivilegeret Ager- og Engs-Hartkorn til. . . . .	6 — 64 —
med Hensyn til Amagerland af hver Tde. ældre privilegeret Ager- og Engs-Hartkorn til. . . . .	4 — 56 —
og af hver Tde. ældre uprivilegeret Ager- og Engs-Hartkorn til. . . . .	7 — 32 —
samt med Hensyn til Bornholm af hver Tde. ældre Ager- og Engs-Hartkorn til. . . . .	2 — " —

Efter den nye Matricul's Hartforn skulde saaledes beregnes:

i Almindelighed af alt privilegeret Ager- og Engs-Hartforn pr. Løbe . . . . .	1 Rbd. „	St.
af alt uprivilegeret dito . . . . .	1 —	48 —
men for Hirschholms District af hver Lde. privilegeret dito . . . . .	„ —	88 —
— — uprivilegeret dito . . . . .	1 —	32 —
for Amagerland af hver Lde. privilegeret dito . . . . .	„ —	88 —
— — uprivilegeret dito . . . . .	1 —	44 —
for Bornholm af hver Lde. Ager- og Engs-Hartforn . . . . .	„ —	32 — *)

Af den Skovskylb og det ældre Ager- og Engs-Hartforn; som ved Matriculens Indførelse maatte hvile paa Skovstrækninger, der, ifølge Forordn. af 27de Septbr. 1805, blive at conservere som Fredskov, skulde Landstatten svares uforandret, hvoraf det er blevet en Følge, at Ager- og Engs-Hartfornet for saa vidt er forandret til dobbelt saa megen Skovskylb.

I det Tidrum, der er forløbet siden de her omhandlede Anordninger udkom, ere derefter de, i Henhold til Placaten af 24 Junii 1840, begiærte Undersøgelser foranstaltede, de derved foranledigede Forandringer tilførte Matriculen, denne derefter endeligen afsluttet, og samme tilstillet Oppebørselsbetientene i Danmark, for fra 1ste Januar 1844 at lægges til Grund for Opkrævningen af de Skatte- og Afgifts-Beløb, der, efter denne Matricul, ville være at beregne, dog, med Undtagelse af de ovennævnte saakaldte blandede Districter, for hvilke Matriculen endnu ikke er fuldført, samt for Bornholm, hvor de netop i den sidste Tid fuldførte Udskiftninger have foranlediget, at de nye Beregninger over det, hver Mand især paahvilende, Hartforn ikke endnu have kunnet tilendebringes.

Efter Hans Majestæts allerhøjeste Befaling bringes nu herved til offentlig Kundskab en Extract af den nye Matricul for hele Danmark, med Undtagelse af de ovennævnte blandede Districter og Bornholm, hvilken Extract indeholder sogneviis, herredsviis, amtstuedistrictsviis og provindsviis:

- a) Ager- og Engs-Hartfornet efter den ældre Matricul,
- b) den derefter beregnede saakaldte Gammelstat,
- c) det nye Matricul's-Hartforn og
- d) den Skovskylb, der vedbliver som saadan.

Uagtet der er anvendt al mulig Flid paa, ved Undersøgelse paa Stederne, ved Conference med Amtstuerne og vedkommende Godsbesiddere m. Fl., ved gjentagen Revision af Beregningerne, Opsummeringerne m. v., at see enhver Feil, der ved et Arbejde af saadant Omfang har været uundgaelig, berigtiget, inden Matriculen udsendes, har Saa-dant imidlertid ikke overalt været muligt. Netop ved de Oplysninger, som nu, da Oppebørselen efter den nye Matricul skal begynde, i en større Detail ere fremkomne, har det vlist sig, at enkelte — vel i Almindelighed mindre betydelige — Forandringer have maattet gøres. Navnligen har dette fundet Sted deels i Henseende til Gammelstaten deels i Henseende til Anførselen af Hartforn som uprivilegeret, der burde have været anført som privilegeret, og omvendt, deels endeligen i Henseende til Skovskylb, der er converteret til Ager- og Engs-Hartforn, skøndt det burde have været anført som Skovskylb, der vedbliver, samt vice versa. Og flere saadanne Forandringer ville sandsynligviis endnu i Tidens Løb blive nødvendige. Væsentlige ville disse Forandringer vel imidlertid nu ikke blive, og derfor er det ikke anseet passende derefter at udsætte nærværende Bekjendtgørelse af Matriculens Resultater. Disse Forandringer ville derhos kunne blive optagne som et Tillæg, naar den nye Matricul for Bornholm og de blandede Districter vil blive publiceret.

\*) Det hele her nævnt Skattedeløb udredes ikke for Tiden. Fra 1ste Juli 1822 har ved temporaire Anordninger været eftergivet i Almindelighed.  
for hver Lde. privilegeret Ager- og Engs-Hartforn 72 St.  
og for hver Lde. uprivilegeret . . . . . 1 Rbd. 4 St.  
samt et forholdsmæssigt Beløb for Hirschholms District, Amagerland og Bornholm.  
For indeværende Aar finder denne Medsættelse Sted pr. Lde. af det nye Matricul's-Hartforn, saa at deraf kun svares i Almindelighed:  
for hver Lde. privilegeret Ager- og Engs-Hartforn 24 St.  
og for hver Lde. uprivilegeret . . . . . 44 St.,  
samt et forholdsmæssigt Beløb for Hirschholms District, Amagerland og Bornholm.
